

Cromford Church of England
Primary School

Adverse Weather Conditions
Policy

It is the policy of the school to make every effort to remain open whenever possible. The decision to close the school either before or during the school day will be made by the Head Teacher. The school will only be closed if one or more of the following conditions apply:

1. Insufficient staff are able to come in to keep the school running safely.
2. Conditions on site are dangerous or health and safety cannot be maintained
3. Conditions are considered to be or are anticipated to later become too hazardous for travel.

Where adverse weather conditions cause staff delays or difficulties in travelling to work, they should take all reasonable steps to make their way to school as soon as they possibly can, taking into account their personal safety. If staff are unable to get into work, they should telephone the school at the earliest possible opportunity to explain the situation and agree what to do. Staff should continue to monitor the weather conditions during the day to see if they can attend work later, for example the afternoon.

If staff are unable to travel to work, it is expected that they work from home.

If the school is to close:

The headteacher will arrange for a text message to be sent to all parents and staff to notify them of the closure.

The school will make all practicable efforts to keep parents informed as to the situation with the school during adverse weather conditions, as we appreciate that such conditions and the uncertainty places very considerable difficulties upon parents.

The school appreciates that during bad weather children may arrive later than normal; parents should endeavour to contact the school to let them know they are on their way if likely to be delayed. The school recognises there will be isolated instances where families are cut off, even where the clear majority of children can get into school. In such instances parents should inform the school of the circumstances of this exceptional situation. Where the school is officially closed, all absence is counted as authorised absence.

Weather deterioration during the day

In the event of the school having to close during the day due to unforeseen worsening weather or similar unforeseen circumstances, parents will be contacted by text message either at home or work and asked to collect their child.

Staff who are likely to face particular difficulties in getting home may have to leave work early, taking into account their personal safety. This decision will be taken in collaboration with the head teacher. Minimum cover arrangements in school will be provided by employees who do not have a particularly long or difficult journey home to ensure staffing ratios are maintained for the safety of the children.

On-site safety

In the event of snow/ice, some pathways will be cleared and salted. Parents, children, staff and visitors should be aware that pathways, even where cleared, may remain dangerous.

Where necessary, essential pathways will be maintained as clear as possible throughout the day.
