Cocoa trees grow in countries with tropical climates.

Find out what fruit trees grow in the UK. With an adult, make a plan to grow your own!

Congratulations! You are the Head Chef at the 'Choose the world you want' restaurant.

Design a delicious menu that makes a difference in the world.

**Talk about it!**

Tell a family member or friend about Fairtrade and the difference it makes to people and the planet.

The choices that we make can affect the planet and the people that live on it in positive and negative ways.

Make a choice that is positive for people and planet today! Write a sentence explaining your choice.

**Bake a difference.**

With an adult, bake or cook using at least one Fairtrade ingredient.

Decorate your creation with the FAIRTRADE Mark!

Use Google Maps or an atlas to travel around the world! Can you find a country where cocoa grows?

Check the temperature in that country today. What was the temperature in that country 50 years ago? Has it changed?

**How many of these activities can you complete in the next 2 weeks? Email your work to Purple Mash. Also there are some activities set about Fairtrade on Purple Mash too!**
